II. OTHER ACTIVITIES

25X1A

1. [REDACTED] has been named the coordinator for the FE Division to arrange with SIC the special training course for FE case officers in Anti-Communist Operations. On 10 June he and [REDACTED] came to the following tentative conclusions: the course will run three or four weeks beginning on 6 July. It will be run in the SIC classroom from 1300 to 1630 five days a week. Substantively it will consist of a combination of the organization and operations course and the anti-communist operations course. We will have guest speakers from CI/ICD and the divisions participating in the course. There will be from ten to twelve students and since the class is this small we will run it as a seminar discussion.
